Steve- I am out of the office tomorrow but perhaps could call in the morning. I just wanted to make sure that you were comfortable with us holding off sending our comments until after we had talked. If you have thoughts on that, I would much appreciate your input today.

Candice. I forgot to set my out of office assistant. We've been doing a municipal wastewater listening tour around the state over the past two days...and so I've been out of the office and away from email.

I will be out most of today and in all day tomorrow. let me know if you are available tomorrow to talk. I can try to keep it concise☺ 15 minutes or so.

Steve- I was wondering if you were free to chat today about our comments. Please let me know if you are free this afternoon or, alternatively, tomorrow before 2pm.

Thanks.
